

South Franklin Code of Conduct

Expected Behavior:

Only respectful and safe behavior is permitted in the building. Any outbursts from children or adults will result in proper disciplinary action, including, but not limited to:

- A discussion with a building supervisor to create a behavioral plan.
- Temporary suspension from classes.
- Removal from the specified program.
- Discontinued admittance into the building and participation in all programs.

Respectful and Safe Behavior is:

- Following directions without complaint.
- Respecting staff and volunteers.
- Arriving and leaving classes on time.
- Cleaning up after yourself and/or your children.
- Using inside voices.
- Treating others with kindness.

Building Use:

- Building use is only for those participating in a program.
- Unaccompanied minors will be asked to leave the building if they are here outside of their scheduled program time.
- If you are a parent/guardian waiting for a student/participant in the building, we ask that you keep noise levels to a minimum and monitor the behavior of your children to do the same.
- Be respectful of the property and only use items for their intended use.
- You are responsible for any damages or vandalism caused by you or your child, unless otherwise stated by the building manager.
- Service animals are the only animals allowed in the building. No pets are allowed indoors. Please clean up after your service animal.
- Internet access is a privilege. Please conduct internet searches, videos, and all content in a safe manner. Any inappropriate use (deemed by us) could result in disciplinary action.

Please leave the building in the manner in which you found it. Be sure to pick up after yourself and your children. Please properly dispose of any outside food/beverages you bring into the center. We ask that food and drinks only be allowed in the kitchen, classroom, and multi-purpose room. Bottled water is acceptable in all rooms. We can provide any cleaning supplies as needed.

Failure to comply with any of the above stated rules could result in you being asked to leave. Failure to leave when asked will result in the involvement of the proper authorities. Since we are located on the Boulders property, you put yourself at risk for eviction or other disciplinary actions the Boulders management wishes to pursue.
