

South Franklin Liability Agreement

I agree to participate in any activity held at the South Franklin Community Center. I also give permission for all named minors listed on this form to participate at the South Franklin Community Center. I understand that I, and any other participants listed on this form, will be working with South Franklin Community Center members and volunteers. Furthermore, I acknowledge that there may be unseen risks that may take place in the participation of these activities. I, along with any participants listed, agree to the following statements below.

1. I understand that I cannot hold South Franklin Community Center, volunteers, and/or other participants responsible for any unforeseen risks/damage that may take place during the participation of any activity.

2. I understand that I, as the parent/guardian/responsible party of the participants named in this form, will be held liable for any premeditated damage that my participants might cause at the South Franklin Community Center.

3. I understand that some of the activities at the South Franklin are only appropriate for adults. Due to this, I, as the adult, will only let the underage applicants participate in activities that are age appropriate. I also understand that if any named minor wants to attend an activity that is not age appropriate, an adult must accompany him/her.

4. I understand that when South Franklin Community Center staff, volunteers, or participants have "reason to believe that a child has been subjected to abuse or neglect" or "observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect" then that person is required by law to "immediately notify the nearest peace officer, law enforcement agency, or office of the division" (Utah Code; Title 62A, Chapter 4a, Part 4, Section 403).

5. I understand that I am responsible for the children I bring to the Center. The volunteers and staff at South Franklin will not be responsible for the well being of the children I bring. It is on me to make sure the kids I bring do not leave the center, that they are not running around or making excessive noise, and that they are participating in the activities. I understand that the kids can not be hanging around the center unless they are registered for and attending an activity. Staff and volunteers are NOT able to look after my kids while they or myself are here at the center for an activity. The only exception is volunteers that are specifically there for childcare, however they are still not liable for your children. Childcare is only for children ages 9 and under, unless stated other wise. I understand that myself and/or my kids may be asked to leave if they can not follow the rules.
